

White and Pink Lists

In the following, "absentee" includes early voting.

White List (includes pink list names)

Pink List Update

Early Absentees	Late Absentees
<ul style="list-style-type: none"> Flagged as VOTED on laptop ATV <u>is not</u> in poll books <u>Not</u> in pink list <p><i>These people voted before the poll books were printed.</i></p>	<ul style="list-style-type: none"> <u>Not</u> flagged as VOTED on laptop ATV <u>is</u> in poll book In <u>both</u> white and pink lists <p><i>These people voted after the poll books were printed, but before the Monday preceding the election.</i></p> <p><i>Precinct officials must highlight each associated ATV with a pink "A".</i></p>

Very Late Absentees
<ul style="list-style-type: none"> <u>Not</u> flagged as VOTED on laptop ATV <u>is</u> in poll book <u>Not</u> in the white list or delivered pink list <p><i>These people voted after the pink list was printed.</i></p> <p><i>This is the "Tuesday morning call-ins" update (aka the "Monday night website pink list update").</i></p> <p><i>Precinct officials must add the "Tuesday morning callins" to the white list posted for public viewing.</i></p> <p><i>The white list plus the "Tuesday morning callins" is the complete list of absentee voters thru Monday.</i></p> <p><i>Precinct officials must add these names to the pink list to create the "modified pink list".</i></p> <p><i>The "modified pink list" is used by the Help Table officials to perform the check in Flowchart #2 to detect absentee voters not flagged as VOTED on the laptop.</i></p>
